DESIGNER PROFILE

VOLUME 11, ISSUE 2

With every day that passes, home seems to mean more and more. As we refine our views of what home is and what we want and need from our surroundings, our collection evolves as well.

We draw upon our heritage and design DNA to create styles that feel both timely, and timeless. Look within these pages and you'll see the juxtaposition of classic and modern styling and the refinement and reinvention of these directions that blend the lines between each.

With today's new definitions and requirements of home, we strive to provide furnishings with more beauty, more function and more impact. View our entire collection on [caracole.com](http://caracole.com) and discover a plethora of in-stock items, available for immediate delivery.

- 56 ON THE ROCKS

Art, architecture, fashion and furniture all draw upon the principles of design—where a simple curve or nuanced form sets a mood.

*Design Note*

Elevate the appeal of a monochromatic ensemble by layering in texture, pattern and repetition. These subtle additions convey an element of the extraordinary without detracting from the simplicity of a tonal look.

# TRADITION OF GLAMOUR

Classic designs reinvented for today's lifestyles represent the best of both worlds. There's a comfort in styles that feel fresh yet familiar. Like the experience of meeting a shared acquaintance, a sofa or chair reinterpreted with modern details in just the right palette of colors and mix of materials has instant credibility.

THE BEAUTY OF THE  
CLASSICS IS YOU CAN  
FALL IN LOVE WITH THEM  
OVER AND OVER AGAIN.

Defined by its distinctiveness, the Flower Power cocktail table is in full bloom. Look below and see the beauty of a metal stretcher crafted of cutout flowers arranged in a geometric pattern forming a virtual garden.

# DREAMY OPTIONS

What do the Suite Dreams and Crown Jewel beds have in common? You as the designer! Choose a flat wood finial, urn wood finial or acrylic canopy posts to top your dream bed. With six unique combinations, it's easy to personalize your space with your own unique look.

A CALMING, RESTFUL

# GEOMETRIC SENSIBILITIES

Providing an elegant framework for modern living, these refreshing styles illustrate the timeless influences of art and architecture. Bold outlines and exquisite materials are interwoven with strong silhouettes to produce looks that feel youthful yet substantive, understated yet expressive. Each piece delivers comfort and style while representing an attitude and authentic point of view.

Geometric principles of design merge straight lines with grid patterns to produce elegant profiles and angles to create a memorable statement of modern design.

TODAY'S TOP INTERIOR DESIGN DIRECTIONS ARE DRIVEN BY THE EVER-EVOLVING ROLE OF HOME IN MODERN LIVING.

*Design Note*

Although simple in form, these captivating occasional tables boast limitless function and style. All offer an open lower storage area while the cocktail table also has a nook just right for tucking an upholstered ottoman.

# ROUND TABLE DISCUSSION

Channeling the foundations of geometry, these circular tables represent beauty and balance without end. Multiple bases and top options make it easy to personalize the space. Choose a glass or metal base and the top that fits your home decor—you can't go wrong with these all-around winners.

Both classic and modern, glass-top tables are a design staple. In addition to highlighting what lies beneath them, they're durable, versatile and elegant.

WHEN IT COMES TO THE APPEAL OF ROUND TABLES, IT'S ALL ABOUT SYMMETRY.

# IN LIVING COLOR

We are proud to introduce one of our most beloved designers and long-time friend, Keia McSwain, Owner and Principal Designer of Kimberly & Cameron Interiors, based in Denver, Colorado.

When not transforming interiors with incredible creativity and mind-blowing colors, this tastemaker turned activist presides over the Black Interior Designers Network (BIDN). As President, she pushes to diversify the design world, highlight the work of the network's 200 talented designers and, most importantly, create an inclusive community for them.

We are excited to partner with Keia and BIDN to promote diversity and inclusion within the interior design industry by highlighting designers of color and supporting black designers with business development opportunities.

Scheduled to launch Spring 2021, follow us on social media to learn more about our strategic partnership and exciting programming. To join this important movement now, please visit: [blackinteriordesignersnetwork.com](http://blackinteriordesignersnetwork.com)

# CASUAL GLAM

Traveling. Dining. Exploring. Entertaining. Casual Glam captures the easygoing feeling of time well spent and makes every day feel like a weekend. Weathered finishes, natural elements and rugged textures converge with ease in comfortable styles you can't live without. Reflecting where you are and how you live, Casual Glam is a direction that's always style-ready.

Just as aged iron hardware fits on a vintage front door, a Chocolate Bronze metal base is the perfect mate to this Ash Driftwood table.

FROM MOUNTAIN TO VALLEY, EARTH TO SKY WHEN IT COMES TO INSPIRATION, NOTHING OUTSHINES NATURE.

# ON THE ROCKS

Like ice crystals formed on a windowpane, these luxe crushed crystal panels are one-of-a-kind. Each faceted piece features a distinctive array of crushed crystals encased in acrylic that reflects light to create an eye-catching display from anywhere in the room. Featured in our gorgeous tabletops and table bases, these remarkable crystallized elements are the essence of glamour.

The Break The Ice dining table boasts a triangular base crafted from three rectangular pillars of crushed crystals encased in clear acrylic, outlined in a metallic finish, and topped with a round glass top.
